We have two rounds of golf booked at each course (Barnbougle Dunes Friday and Sunday – Lost Farm Saturday and Monday) where each group of three guests will get a Golf Professional to share the experience with and receive a helping hand with some course management on the way round.

We will have a clinic before each of the first three rounds, with each of the pro's bringing their expertise to help the players before the start of each day. Warm up on the range and short game with bunkers, chipping and putting will surely help every ones game.

Our welcome dinner for the group is at the Pipers Brook Winery, which was a huge success last year and a real highlight of the trip. Incorporating wine tasting, local fare and a tour of the facility with the head wine maker, this will again be something special to remember.

During the trip we stay at the Bridport Resort in self contained units with each golfer staying in his / her own bedroom. Breakfast is served at the resorts restaurant and is part of the package.

Evening meals (two courses) are also included in the cost of the trip, where we will be attending a few of the local establishments and trying the local Tasmanian delicacies.

To get around while in Tasmania we will be traveling by twelve-seater bus which will act as transport from Launceston to Bridport and return, to and from golf and to the restaurants for our evening meals.

For this years attendees we are having a gift pack and golf trip Golf Bags put together as a memento of your trip with us.
